This statement also applies to all the links and references as well as to the foreign entries in the guest books, discussion forums, linked references, mailing lists and all other forums of databases on which it is possible to access external contents. Solely the operator of the website to which a link was made is liable for the illegal, erroneous or incomplete contents and particularly for damages resulting from the utilisation or non-utilisation of information provided in such a manner, and not the party who simply makes reference to the respective publication via links.
